

## FORSAKING THE ASSEMBLY?

It was suggested in a recent Bible class that it is **not a sin to not go to church** (presuming one is available). It was recognized that Hebrews 11:25 says “not forsaking our own assembling together, as is the habit of some, but encouraging one another, all the more as you see the day drawing near”.

It was explained that it only says this once, and it does not say it is a sin. So a second question arises, is missing an occasional service the same as forsaking?

First, discussing whether it is not a sin if it does not say it is a sin. It is a clear instruction for the brethren to follow, so first inclination would be that it is sin not to do so.

It makes an interesting comparison to drunkenness. The New Testament lists 12 places where drunkenness is condemned clearly as being wrong. These are Luke 12:45, Luke 21:34, John 2:10, Acts 2:15, Rom. 13:13, 1 Cor. 11:21, Gal. 5:21, Eph 5:18, 1Thes 5:7, 1 Pet. 4:3, Rev. 17:2, and Rev. 18:3.

No one would disagree that drunkenness is a sin. However, in none of these verses is drunkenness called a sin. Galatians 5:21 says “envying, drunkenness, carousing, and things like these, of which I forewarn you, just as I have forewarned you, that those who practice such things will not inherit the kingdom of God” and 1 Peter 4:3 says “For the time already past is sufficient *for you* to have carried out the desire of the Gentiles, having pursued a course of sensuality, lusts, drunkenness, carousing, drinking parties and abominable idolatries.”

That provides a pretty clear message that drunkenness is not on the God approved list - but it never says it is a sin. That should make it reasonable to say that something can be identified as a sin, even if it does not have the “sin” word in the same verse.

In all fairness, in the NIV paraphrase edition of Romans 13:13-14 says “Let us behave decently, as in the daytime, not in orgies and drunkenness, not in sexual immorality and debauchery, not in dissension and jealousy. Rather, clothe yourselves with the Lord Jesus Christ, and do not think about how to gratify the desires of the sinful nature”. The Greek word given is “lust” (Nestle Greek-English In-

THE ELDER'S OF CENTRAL CHURCH OF CHRIST EXPECT THAT MEMBERS UNDER THEIR OVERSIGHT WILL AT A MINIMUM EACH WEEK AVERAGE ATTENDING A WORSHIP SERVICE, ATTENDING A BIBLE CLASS, AND DOING 1 HOUR OF SERVICE WORK.

terlinear), and the NIV reasonably paraphrases it as sinful nature for our easy reading, in case you are more interested in easy reading than literalness.

As a matter of fact the next verse after Hebrews 10:25, Hebrews 10:26 says “For if we go on sinning willfully after receiving the knowledge of the truth, there no longer remains a sacrifice for sins”. It should be reasonable to conclude what was previously discussed (forsaking the assembly) was a sin. It is good to remember here that in the first century, there was no such thing as verses to divide this up. It was merely the next sentence.

## FORSAKING THE ASSEMBLY, PAGE 2

For most of us it is easy to conclude that it would be a sin to forsake the assembling of the saints all together when it is possible to attend. Conflicts with working time , travelling, and sickness are certainly reasons to restrict you attendance.

Alternately, it is obvious that there is a pattern that some members stop attending on Wednesday night, stop attending on Sunday night, stop attending Bible class and then stop altogether. Do we get worried when they stop on Wednesday night? Is it all over when they stop attending Bible class?

A first question is how often are you obligated to attend? It is good to attend all services, but how much are you actually obligated to attend?

It is the suggestion of this article that to a large extent determined by your elders. Clearly anyone at any time must attend a regular worship service if possible, which we will presume as a default is the Sunday morning worship service.

At that time if your elders say they would like you to attend the Sunday evening service, it would be your choice whether to attend. If your elders instruct that you are to attend if possible, you are to attend if possible. It is not an option.

If your elders say you must attend Sunday evening even if you must quit your job or get out of a sick bed to do so, you must attend as long as you are under their oversight. That would seem like a really good time to move to another congregation. God would deal with them on judgment day.

For expectations, it was recently said that at one fast growing congregation the elders simply told members that they expected members under their oversight would at a minimum average attending a worship service, attending a Bible class, and doing an hour of service work. It is in the box on page 1.

## FORSAKING THE ASSEMBLY, PAGE 3

Can you imagine the impact of having all members do something each week instead of 20% of the members overworking and 80% being on retirement. Effectively communicated, the pool of workers which that philosophy would generate might change the world.

In summary, we need to be in the position of not being concerned about attending once a week, but rather in communicating that members need to be involved. It means that congregations should have programs to make sure there are roles for all members to fulfill.

It is certain that an involved member is far less likely to stop attending church than one who simply occupies a pew on Sunday morning.

Alternately, a proof reader of this article said that if his elders were to make such a statement as is indicated in the box on page 1, 80% of the members would leave. Whereas that is surely an exaggeration, if you change anything significant, some people will be unhappy.

If your goal is to make no one unhappy, you will certainly have a goal Jesus did not fulfill.

If you tell your members you actually expect them to do something, make sure resulting evangelism and fellowship more than offset any members who chose to retire to a different congregation rather than doing something.

## IMPOSSIBLE FOR EVOLUTION

### THE INCREDIBLE EDIBLE EGG! - 3

In 21 days a fertilized egg becomes a chick. All the egg yoke and egg white are consumed to make the chick. When the process begins, there is virtually no air in the egg shell. The egg has a hard porcelain type shell which securely contains all the liquids inside.

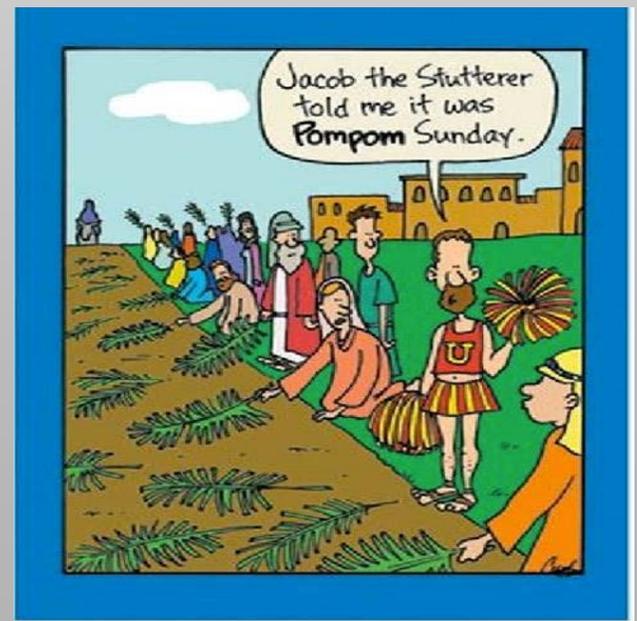

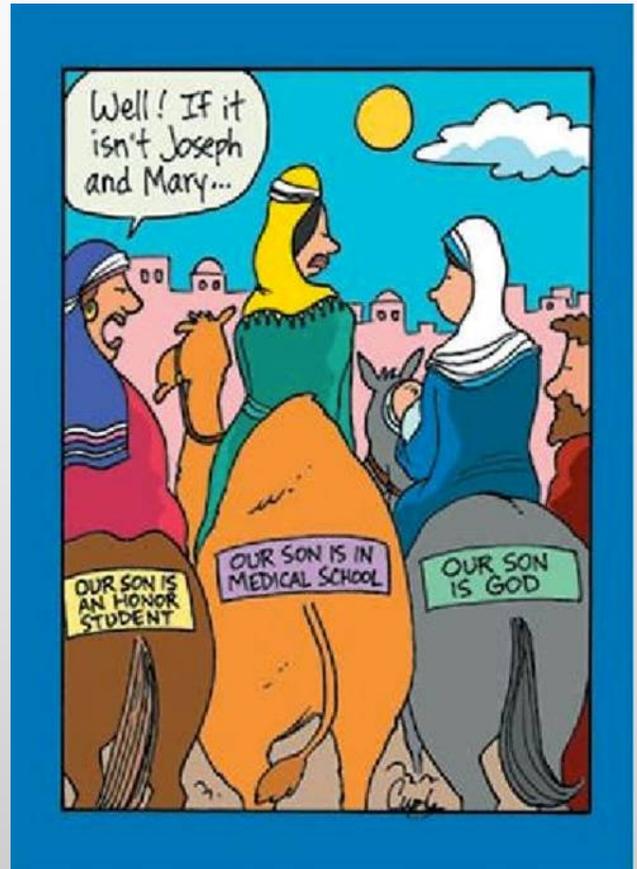

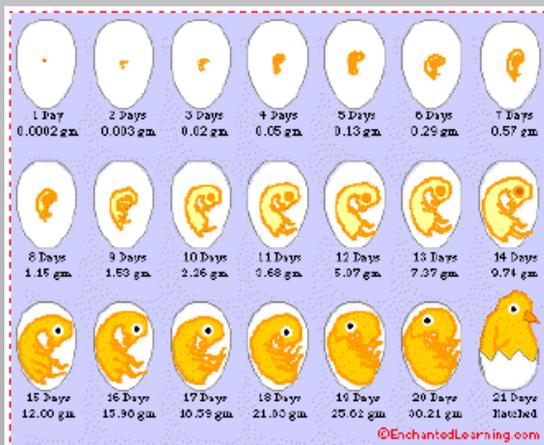

The chick is a living breathing animal, and breathing at least the last few of the 21 days. How does the chick breathe when there is no air?

Turns out that the shell is not completely solid, it is porous. It has holes in it large enough to pass oxygen in and carbon dioxide out. It is made of calcite, a crystalline form of calcium carbonate.

This is not the territory of evolutionary experimentation. If it is not porous enough, the chick suffocates. If it is too porous the liquids seep out of the shell. It must be just right.

The generally means that a chicken must conjure up exactly the right chemical mixture for a shell, make glands to produce it, surround the egg liquids with it, cause it to quickly harden within the moist environment inside the chicken, and lay it.

Even a small child can appreciate that this is the work of God. Only an over educated genius can be so blind as to not see it.

## LEARNING CURVE: WHAT DO YOU NEED FOR 2012

Do you need a fresh start for the year? Do you need perspective and purpose? Would you like wisdom and insight to handle pressures and problems? Is your patience depleted and courage sagging? Do you need strength to think clearly and serve creatively?

You have the most powerful resource known to man right there in your hand. Thank God that you can read! Be grateful that you have the freedom and choice to read your Bible. Choose to read!

It is an excellent thing to read the entire Bible through in a year, but don't be intimidated if that doesn't seem possible to you. Read a chapter a day. You can easily read through the New Testament in a year.

Many scholars select one book, such as Philippians or Ephesians and simply read it daily for a year. You might select a topic for the year such as faith or joy and look for the word as you are reading. Be creative, start in the middle or at the end and read backwards.

For that renewed spirit, new purpose and perspective, wisdom for the way and insight for the day, read your Bible! Let the living word of God flow into your heart and out into your life.

Dear Christian brethren: I am Henry Vaughn a member of the Third Ward Church of Christ and McCarty student center at Texas State University - San Marcos. The McCarty Student Center is a ministry of the University Church of Christ in San Marcos, TX. The purpose of McCarty is to provide a place for Christian students to commune on a college campus with others who may not have the same goals. I am writing you to ask for financial support to participate in a mission trip to St. Ann's Bay, Jamaica.

For my 2012 spring break I have been given the opportunity through the McCarty Student Center to deliver the gospel to a people who are less fortunate so that they also might be saved. This is also an opportunity for me and many other college students to work to purify our faith in the Lord. There is a great number of people who deserve to hear the gospel just as we have which is why I am requesting your help. While the amount of aid needed may seem extraneous it will in no way compare to the souls that will be saved.

The total amount of assistance needed is \$1300 but whatever you can give would be greatly appreciated. This will cover plane tickets, living arrangements, food and other necessities. Thank you for all of your help and prayers.

Sincerely  
Henry Vaughn

## WHAT THE CHURCH OF CHRIST IS NOT

A local group of Christians who believe that the Bible can be updated by contemporary council decisions.

A church which receives the permission from an earthly headquarters to plant a new congregation.

A church which attempts to duplicate a 19th or 20th century pattern for a church.

A church which believes you can pick and choose what part of the Bible you want to believe and follow only those parts.

A church which believes that we should judge that we are all in a community of believers as long as we say we believe in Jesus, irrespective of what we do and preach. A church which should assure all others that they are saved.

A group who makes decisions based on popularity rather than scriptural basis.

A group which simply skips over Acts 2:38.

A group which finds more convenient ways to simulate baptism.

A group which votes on what it suits them to believe and preach or a group which believes that they are still getting direct revelations from God.

A group who believes we are here to entertain ourselves.

**For those bound & determined to change the church of Christ to be the Christian Church, wouldn't it be easier to simply join the Christian Church.? Is the problem that your conscience won't allow you to join the Christian Church, but if you can reduce the church of Christ to being the Christian Church you will not offend your conscience?**

## WHAT THE CHURCH OF CHRIST IS

The church of Christ is a local group of Christians which try to speak where the Bible speaks and remain silent where the Bible is silent.

The church of Christ tries to reestablish the first century pattern and teaching of the New Testament era at each location.

The church of Christ tries to reestablish the scriptural organization of the church at each location.

The church of Christ has members who believe they are following the scriptural teachings as best they can.

Church of Christ members believe that we should not judge others' eternal reward, but that it is not reasonable to give comfort to others who follow their own preferences rather than teachings of the Bible.

A non-instrumental body as instruments were available in the first century and not used, and not used for several centuries.

A group who teaches Acts 2:38.

A group which teaches baptism by immersion for the remission of sins as that is what is taught in the Bible.

A group which believes all revelation was given in the first century.

A group which believes we are responsible to take the Gospel to the world.

## MONEY PAGE

### GUARANTEED CHURCH GROWTH

If your congregation does the following, BCE Publications guarantees that it will grow.

Poll your congregation three times at 6 months intervals with the following results:

- 50% of the members know who their elder is
- 50% of the members will say that a minister is their friend
- 50% of the members will say that they are uplifted by the song services
- 50% of the men will say that their input is considered before physical decisions are made
- 50% of the members will say they are an important part of the work
- 50% of the members will say they are aware of the goals of the congregation
- 50% of the members will say that they know what their part is in achieving your goals

**GUARANTEE:** For the first congregation which does this and does not grow by at least 10%, we will send \$1000 to the church related children's home of your choice in your name.

I have never met a person who said that if they did this their church would not grow. If your congregation is not growing, what have you got to lose? (Offer made since 2001)

### **IMPOSSIBLE FOR EVOLUTION?**

**We will offer \$100 to the first person who can explain how we could have violated the first law of thermodynamics and have come into existence without God.**

**We will offer \$100 to the first person who can explain how we could have violated the second law of thermodynamics and have existed forever without God. (Offer first posted 8/08)**

### **IMPOSSIBLE FOR EVOLUTION!**

This publication continues (since 1991) to make a standing offer of \$100 to the first person who can give any reason (1 or more) as to why atheistic evolution is a better explanation for the universe and/or life than creation by God, The Father of Adam, Abraham, and Jesus; as revealed in the Bible.

We will also give you \$100 if we cannot give you 12 reasons why atheistic evolution is impossible as an explanation for our existence.

We will discuss this any place, any time, and in any forum. (Offer posed since June, 1991)

### **RUN AT THE SPEED OF LIGHT:**

**We will offer \$100 to the first person who can refute the logic that a person can in fact run at the speed of light as presented in the September 2009 issue of this newsletter.**

### **THE MONEY PAGE:**

This page may seem odd, even irreverent to offer money for something like this. It is 3 simple statements on church growth, that we cannot be here without God, and evolution is not possible. The steadfastness of putting money on the line for this is to try to be of assistance against those who would discourage church growth, believe in atheism, or promote atheistic evolution.

The page is intended to be a continuing reinforcement.
