

WINGS OF EAGLES VIDEO

WHICH GROUP?

SUMMARY: A 20 minute video to provide an overview for apologetic for personal evangelism and a review for existing members based on the previous conclusion that if you follow the scriptural plan you will find a Church of Christ.

The objective of the Wings of Eagles video “WHICH GROUP OR WHAT NOW?” is to clearly demonstrate that there is a scriptural plan pleasing to God and that the Churches of Christ follow the scriptural plan, and to not follow the plan will bring you under God’s judgment. This can be reviewed in the video and the note pages which accompany it.

The ‘WHICH GROUP’ video and associated note pages are located at occg.institute, Services Tab, Personal Evangelism tab.

The video can be stopped at any point for discussion and questions, and should be followed for a period of open questions at the end.

After review of the video, the following are possible questions to stimulate discussion:

1. Do you understand that God’s past judgments indicate that He means what He says?
2. Do you understand that the New Testament was written in the first century by witnesses to Jesus?
3. Do you understand that no one is authorized by God to change the scriptures today?
4. Do you understand that the Churches of Christ are an attempt to go back to the scriptures and duplicate the scriptural plan with each congregation?
5. Do you understand that the Churches of Christ follow the scriptural pattern?
6. Do you understand that denominations are identified by the various ways in which they depart from the scriptural pattern?
7. Do you understand the plan of salvation?
8. **KEY QUESTION:** Are you ready to confess your belief in Jesus and be baptized now?
